Contributions and Personal Accomplishments to the Breed:

We have shown several bulldogs which reached the number one spot for their year. I love to show but that is only part of being a complete bulldogger in my opinion. I believe that it is important to strive to improve the breed and to educate new bulldoggers and the public about the merits of bulldogs. As long as I am active on the Judge's Education Committee for BCA, I am dedicated to educating upcoming judges with the goal to improve the judging of bulldogs.
